- Enterprises no longer to be subordinate to the HV Liquid Fuels of the State Secretariat for Chemistry in West Berlin and to be turned over to communal authorities on 1 January 1952 included: VEB Lubricant Factory at Frankfurt (Oder); VEB Chemical Factory at 7 Erich Koeckert Strasse, Jessau; VEB Norton Mex Factory at Voelkke, Kreis Haldensleben; VEB Factory for Tar Products at Boesdorf/Bautzen; VEB Mineral Oil Plant at Ferrenleite near Pirna; VEB Mineral Oil Plant at Klaffach/Erzgebirge; VEB Mineral Oil Plant at Mittelherwig; VEB Lubricant Factory at Wiesa, Kreis Geraecken; VEB Lubricant Factory at Burg near Magdeburg; VEB Mineral Oil Refinery at Nordhausen; VEB N. J. Zettlitz Mineral Oil Refinery at Freital; THE Combined Works for Asphalt and Tar Products at Dresden and Teltow; and VEB Lubricant Factory and THE Ausmus & Co at Lauterburg. The Hydrogenation Plant at Zeitz and the Synthetic Plant at Schwarzeheide which were subordinate to the SAG Rikitoff and the DURKAPHT were scheduled to be assigned to the HV for Liquid Fuels on 1 January 1952.¹
 - In mid-October 1951, it was still undecided whether the Combine at Eppendorf of the SAG Rikitoff would be reassigned to the State Secretariat for Coal or the HV for Liquid Fuels. Rumors circulating at the HV for Liquid Fuels at that time stated that this office would be combined with the HV for Heavy Industry.
